Meeting opened with a prayer by Father Roger.

Heads of Ministries and members of the Pastoral Council introduced themselves to Father Michael.

Father Roger voiced his appreciation for the love and extensive help given him by all Ministries and parishioners. He said he has a special place in his heart for his "First Family" of St. Peter's and is sad to leave, but being a missionary priest he must go where sent by the Bishop. He encouraged all present to give Father Mike the same love and support that was given to him.

Father Mike introduced himself and voiced his appreciation for all of Father Roger's accomplishments. He will strive to continue Father Roger's gains. He envisions coordinating with other communities on the Eastern Shore and encouraging Ecumenism with other churches. He said he is of the same spiritual commitment as Father Roger. Father Mike values lay empowerment and wants to journey together with this congregation community. He discussed his history as a priest from the Philippines.

Father Roger said his final words of good bye and again thanked everyone for their support during his assignment at St. Peter the Apostle parish.

Father Mike asked for the congregation's prayers and support and closed the meeting with a prayer.
